95% GROUP INC.

HELP CONTACT US

**Welcome to the new 95 Percent Group Resources and Products Customer Portal!**  
While it appears similar to its predecessor, it has been completely redesigned to improve your user experience.  
Please click [here](#) for more info on the changes we have implemented.

**Resources and Products Portal - Login Page**

**New customer?** Click "Create New Account" below to create an account register your 95 Percent Group products.

**Registered Users:** Please enter your username (email address) and password to access your 95 Percent Group resources and products.

**Please note:** Your password should not begin with a number or include any special characters

1. Email / Username  
2. Password  
3. ☒ Remember me

Login Forgot your password? Create New Account

**Notice:**  
The 95 Percent Group Resources and Products apps for Windows, macOS, iOS, and Android will not function after October 2018. The new Resources and Products portal will contain all of the same content that was previously available in the apps.  
The teacher and student editions of the Teaching Blending iPad apps **will** continue to be available in the Apple® iOS app store.

**Need help?**  
Contact us directly at [support@95percentgroup.com](mailto:support@95percentgroup.com).

You've registered for: PSI 3.0

License Term: Start Date: 12/10/2012 End Date: Perpetual

Please Read the following license agreement and click to accept or cancel.

### License Agreement 95 Percent Group Inc. Phonics Screener for Intervention™

The 95 Percent Group Inc. "Phonics Screener for Intervention™" (the "PSI™") and its related Documents are copyrighted materials and are licensed for use on a perpetual, limited, personal, nontransferable, non-exclusive, per-School, per-User basis (as those terms are defined below) during the Term of this Agreement, and not sold. By using the PSI and related documents (together, the "System") you ("Licensee" or "User") are agreeing to the terms and conditions of this license agreement ("License" or "Agreement"). As used in this Agreement, a "School" means an individual school; a "School" does not mean a school district, which may be composed of more than one School.

The PSI is composed of an online system and certain electronic and printed documents (documents alone are referred to as the "Documents"), accessed using a computer connected to the Internet or provided in paper copy to Licensee. The Documents are available for download as protected Adobe® Portable Document Format ("PDF") documents that require a user ID and password to

### Welcome to Phonics Screener for Intervention (PSI 3.0)

This page contains the print-on-demand materials and other resources for the Phonics Screener for Intervention (PSI 3.0). As a user of this product you have access to these copyrighted materials and may print them as needed. Generally, the materials and resources that you and your students will use as you are teaching lessons for this product.

This page contains a file tree with Adobe PDF files for printed materials and if applicable, certain videos, Microsoft Word documents and PowerPoint® presentations as well as Interactive White Board applications, if available for this product. (Interactive White Board applications are not compatible with Chromebook® devices). The file tree is navigated by clicking the folder icon next to the material you are looking for.

Use of these materials and resources is governed by the license agreement on your 95 Percent Group Products & 95 Percent Group Inc. licenses are for individual users, not entire schools or districts. Sharing these files with unauthorized users is prohibited and is a copyright violation.

If you have any difficulty with these materials or files, please contact us at [support@95percentgroup.com](mailto:support@95percentgroup.com).

Each Product contains a  
file tree of folders.

Clicking on any of these  
folders will expand them,  
revealing downloadable  
and printable documents.

Just click on any document  
or file to open.

The document that opens  
can be downloaded and  
printed.
